WHAT IS THE HĀ INITIATIVE?

The Hā Initiative is a Creative STEM After-School Program for kids in Grades 2 - 8 to explore the worlds of Science, Technology, Engineering and Math (STEM) in a fun and creative environment.

WHY “HĀ”?

The hā is the “stem” of the kalo (taro) which supports the plant’s growth. In the same way, the Hā Initiative helps young people establish a strong foundation in math and science for personal and academic growth.
