The **Malama Pono Program** hosted a wonderful Sunday evening event at KEY Project in Kahalu'u. Mentors and Mentees had pizza, face painting, balloons and entertainment by: "The Great Davidio" and Aaron Vermeer! The evening was a huge success. Thank you to Roxanne Akana, all of the volunteers, and families that made the night possible. Mahalo nui loa!

This week, the **Leeward District Center** and the **Leahi District Center** also held their Volunteer Recognition Luncheon.

The highlight of Leeward's luncheon were the coveted raffle prizes!

Community Worker, Georgette Aki and SCSEP workers selflessly serving their dedicated volunteers.

**Central District Center** will host A+, It's All About Kids Program starting on October 12th. This program is in collaboration with the Department of Education, offering additional assistance with after school tutoring. The program provides students with innovative online learning and one-on-one tutoring support. It is scheduled for an hour and a half every day after school for the entire school year.

HCAP would like to say Mahalo to CSBG ARRA employees: Emaline Somildam, James "Jojo" Upega, and Thoai "Christine" Vuong, who has been with us since November. They were such valuable assets to HCAP's team and to the overall dynamic functionality of CSBG ARRA Programs.
