## Empowering Adults

---

**Kumuhonua Transitional Living Center** offers transitional housing to adults and couples (18 and over) who are homeless or at-risk for homelessness. Kumuhonua provides housing, case management services and ongoing workshops and classes.

**Nā Lima Hana Employment Core Services (ECS) Program** provides employment preparation training, personalized case management services, tuition assistance for vocational school, and job placement to unemployed and underemployed individuals.

## Education & Youth Programs

---

**HCAP Head Start & Early Head Start Program** is the largest Head Start provider in the state, serving over 1,600 children a year. Head Start and Early Head Start deliver services to children and families in core areas of early learning, health, and family well-being while engaging parents as partners every step of the way.

**Hā Initiative: A Creative STEM After-School Program** offers interactive science & technology activities to children in grades 2 to 8.

## District Service Centers

---

HCAP's six **District Service Centers**, located throughout Oahu, offer a variety of programs and services to people of all ages. Staff work one-on-one with individuals and families to help with job searches, education, literacy, housing, transportation, food assistance, emergency needs, and economic and community development.

## Energy & Utilities

---

**Low-Income Home Energy Assistance (LIHEAP) Program** provides supplemental support to offset client energy costs.

**Weatherization Assistance Program** provides qualified applicants with the means to lower their energy usage. Based on a home energy audit, applicants are provided with individualized energy conservation education and may receive energy-saving devices free of charge.
